

The Flanagan

5 BEDROOMS
4.5 BATHROOMS

Make a grand entrance into the Flanagan model which boasts a two story foyer and opens to an inviting plan. Downstairs features a variety of living space with multifunctional rooms to adapt to your family's lifestyle. Two gas fireplaces create comforting environments in both the vaulted family and keeping rooms. A state-of-the art, gourmet kitchen and uniquely shaped dining room offer endless entertaining options. Upstairs, a private master suite awaits with 13 x 13 sitting room, indulgent master bath and his & hers walk-in closets. Three large bedrooms, one with its own bath, and the others sharing a Jack & Jill bath, offer private comfort for all family members. The Flanagan model is the perfect home offering elegance in a relaxed plan.
